

RIVERLAND FAMILY FARMS HARVEST BOX

CSA-Community Supported Agriculture

CSA movement started a few decades ago and has been a lifeline for farmers across the globe. It is an opportunity for the growers and for people who like to eat local to join in partnership so that all can benefit. When you buy a share of a farms' harvest in early spring, it helps the farm pay for seeds and other expenses in the slow seasons. Sign up for Riverland Family Farms CSA and support your local Organic Farm. With each full membership, you will receive a harvest box filled with **fresh organic produce for 22 weeks!!**

How does the farm benefit from your membership?

Your CSA membership is a sign of your appreciation for local harvest and your commitment to support a local organic farm. Your membership fee paid in the spring reduces the amount of money we need to borrow to pay for soil amendments, seeds, and labor. Essentially, you are helping us keep the farm running.

What's In The Box?

With CSA membership you will receive a Harvest Box for 22 weeks filled with:

- ⇒ Fruits ⇒ Roots
- ⇒ Greens ⇒ Herbs
- ⇒ Vegetables ⇒ Newsletter & delicious recipes!

For reference, here is a list of what was in the box last year. You can expect to see similar selection in 2021 boxes, unless Mother Nature has a different plan.
